RELEVANT EXPERIENCE

Mr. Kehres obtained his J.D. from The University of New Hampshire School of Law in 2014 (Franklin Pierce Law Center).

Mr. Kehres' legal experience includes:

- Prosecuting domestic and foreign patent applications
- Providing litigation support
- Creating virtual patent marking databases
- Creating a patent marking webpage to satisfy new AIA standards for product marking
- Conducting invalidity investigational searches
- Assembling lists of potential patent and trademark infringers both domestically and internationally
- Performing patent and trademark infringement investigations.

While working as a Support Engineer at Ewie Co., Inc., Mr. Kehres generated cost savings for Ford and EWIE through tool testing; simultaneously served as back-up plant analyst; and assumed full responsibility for all tooling for two sections of production.

Mr. Kehres' course work included the following:

- Internal Combustion Engines
- Product Design
- CAD/CAM Rapid Prototyping
- Electrical Devices/Controls
- Automatic Controls
- Mechanical Design of Machine Elements
- Musculoskeletal Biomechanics
- Land Vehicle Dynamics
- Automatic Transmissions
